Exactly what is covered under this warranty?

And how long?

Blower motor – Lifetime

Inducer motor – Lifetime

Integrated furnace control – Lifetime

All limits and safety switches – Lifetime

Burner – Lifetime

Gas valve and manifold – Lifetime

Transformer – Lifetime

Ignition system – Lifetime

What is meant by "Lifetime?"

As long as the customer owns the home where the heating unit is installed.

What is the customer's obligation to keep the warranty intact?

The customer must have the heating equipment power cleaned annually at normal published rates by Universal Heating Company.

When is warranty work performed?

During our regular service hours – Monday thru Friday 9:00 A.M. – 5:00 P.M. excluding holidays.

What about 24 hour service?

24 hour service is provided 365 days a year.

Does the customer have any further charges?

There is absolutely no charge under warranty (for parts listed above *) or labor provided the heating unit is cleaned annually. A charge is made for cleaning, filters and after regular hour service calls.

Is there anything else that will void this warranty or that customer would have to pay for?

Naturally unauthorized work or additions made to the system could have an adverse effect and may void warranty. Also, repairs performed to correct damages to the unit by any malfunction of electrical, plumbing or sewer causing leakage of water, or misapplied electricity, fire, tornadoes, floods, etc., will be charged to customer.

Is warranty transferable?

If our company is notified within 4 months of transfer of property a new owner can continue warranty within the above provisions.
