Lori,

Thanks to your team for a great customer experience!

From the initial phone contact, our meeting, and the artwork approval process everything went quickly, efficiently, and professionally. It is impressive.

Because of this, we are looking forward to a better presence for our customers. We anticipate that the new listing will allow us to use your media to allow our customers and prospects to link to us more easily.

We bought this ad because you a) Listened, b) Provided options and alternatives that addressed our business concerns and issues, and c) did it with terrific efficiency, timeliness, and professionalism.

We look forward to doing business with your company.

Sincerely,  
Tom Taylor
