Subject: thank you!

This has nothing to do with sales -- I just wanted to THANK YOU for providing this website of yellow page directories. I am so impressed with this! I live in another part of the country from my extended family and frequently need to look up a business phone number in their area. You know, florists to send flowers, beauty spas for gift certificates for manicures, etc... Your YellowPageCity website is so complete and quick -- makes life a little easier! Thank you again,
